I understand. (Another good reason for me not to be in the meeting is that we still have pending our \$100,000 request for Crime Commission operating costs. I would not want to jeopardize any chance we have of getting that.)

Ok. It was not my idea ! I think Jim just thought because of my prior relationship with Bill (he was my finance chairman) and the Crime Commission's role in this, it would help if I was there. But it makes my afternoon schedule a lot simpler not to be there.
